

# KEYHOLDER 2020 FAQs

Year-after-year, Keyholder delivers an unparalleled experience all while fueling social change for women and girls. Keyholder 2020 will inspire us *and* it will fund social change. Read below for some FAQs about the event.

Have more questions? Email us at [keyholder@womensfundcentralohio.org](mailto:keyholder@womensfundcentralohio.org).

## Why the change in venue?

We love our friends at CAPA and the Ohio Theatre and thank them for the many years of partnership in bringing Keyholder to the Ohio Theatre stage. This year the witches of *Wicked* will take the stage this Spring at the same time as Keyholder, so we've moved to a new venue, Express Live! We're excited to meet you there for an inspiring night funding social change and advancing gender equity.

## Can you tell me more about the ticket levels and Keyholder experience?

Keyholder is our biggest fundraiser. While just one night of the year, the funds raised at Keyholder help make the work happen all year round. Each ticket is an investment in the mission that creates change in our community. At this year's Keyholder, you can join us as a ***Fearless Funder*** (\$125 ticket) or ***Courageous Investor*** (\$275 ticket).

As a ***Fearless Funder***, you'll join us for the public pre-party and program at Express Live! As a ***Courageous Investor***, you'll join us at a kickoff reception at The Fives (with a special appearance from our speaker) before heading over to the program at Express Live! (where you will enjoy preferred seating).

If you've been an Advocate (\$1,000 ticket) in the past, we're excited for you to consider joining us as a Courageous Investor and bringing along a friend or two by buying tickets for them, too!

Seating is limited so make sure you get your tickets today.

## Who is the speaker this year?

We're always moved by the speakers that take the Keyholder stage. They help us celebrate the lives of all women, while motivating us to continue the work of social change to create more equitable community for all people. They expand our views, motivate us to act, and inspire us to be the change. We're excited to share who will take the Keyholder 2020 stage in the coming weeks. Stay tuned, but for now, please get your ticket because seating at Express Live! is limited.

## How can I become a corporate sponsor/investor?

Corporate investors fuel our work. They not only help underwrite the costs of Keyholder – ensuring every ticket purchased to the event is a tax-deductible donation – but also reinforce the foundation of our work so that it is sustainable and scalable. Through these investments, we can reach more people, grant more funds, do more research, and create more lasting social change. Please visit our Investor benefits page to learn about the investor levels and benefits.
